

You can download Total Commander 10.00 final right now on our download page! The update is still free for all registered users (including Windows Commander) - please. Total Commander 7.04a Final is the most modern and, perhaps, the most functional file manager for Windows with a convenient and functional interface, a large set of tools for performing various file operations. The program has a convenient built-in FTP client, a built-in file viewer, a powerful search engine, sorting by numerous parameters, support for archives, support for network drives, scripting, and much more...
