Sensiva Symbol Commander Software Free Download For Windows 71.Namibia Namibia is a landlocked country in Southern Africa. It is bordered by South Africa to the South and Zambia to the West. It is divided into three regions: Central Namibia or Kalahari Region - the northern part of the country Kunene Region - the central and eastern region Omusati Region - the southwestern part. Namibia is divided into 14 regions: Aranos Khorixas Kunene Region Kunene/Omusati Ojozondjupa Oshana Ohangwena Omaheke Otavi Oshikoto Outjo Omusati Oshikuku Omaheke Region The climate is generally dry, especially in the central and northern parts. The country has some of the most pristine, untrammelled wilderness areas in Africa. Due to its geography and environment, much of its wildlife is also unique. From the Huns (Halm-Usa, literally meaning hut in the Kavango language) in the north to the Blyde River Canyon in the south, the terrain of Namibia is extremely diverse. It consists mainly of semi-arid Namib desert, with the Kwando and Fish rivers running through it. Large areas are mountainous, with a few lakes located in the centre. The least dense population is in the north, with about 30 people per square kilometer. There are over 2 million people in the country, including the capital city of Windhoek, which is one of the most modern cities in Africa. The capital of the country, Windhoek, and the major port of Walvis Bay is home to the highest court in the country, the Supreme Court of Namibia. In the 1970s, the Namibian War of Independence began, followed by an end to apartheid and a multi-party democracy in 1990. The Office of Namibia's Chief Architect is the National Department of Architecture and the National Department of Urban Planning and Housing. History Prior to colonization, Namibia was occupied by peoples from many different tribes. This multi-ethnic population was subjected to pressures of population pressure, and resulted in attacks on members of neighboring tribes and
