27.12.2012 â€” TecDoc CATALOG 01.2013 (1Q.2013) Multilingual | 5 DVD | 30.7 GB... Thanks for posting, can you or anyone post a torrent here? Thank you in advance. In the near future I will upload it to torrents.ru, with the ability to download via a torrent client, since here on the site I could not download, although my Internet speed is good, the file weighs 20 GB from torrents.ru. I'm wondering, did you even understand what you wrote? Spread the torrent already, not the file. What is the difficulty then? Well, I mean that the file on the torrent weighs more than you have on the office. site. That's why you can't post it there. Spread the torrent already!
