Ezee CV - Resume With Serial Key [Mac/Win]

Ezee CV – Resume is a lightweight Windows application built specifically for helping users create CVs in only a few steps. It sports a clean and straightforward layout that allows you to perform most operations with minimum effort. The program gives you the possibility to create a new CV by filling in some relevant textboxes, such as name, date of birth, address, phone number, and email address. Plus, you can offer details about your career objectives, educational background (e.g. qualifications, comments), and previous working experience (e.g. position, employer's name, date, duties and responsibilities). Ezee CV – Resume also provides separate fields for helping you add data about your skills (you can add multiple text lines), interests, referees (e.g. name, title, organization, email address), and reference message. Other notable characteristics worth mentioning are represented by the possibility to preview the CV, switch to a full screen mode for a better focus on your work, and print or save data to HTML, DOC or CVP file format. Last but not least, you are allowed to perform basic editing operations (cut, copy, paste), pick the CV style (e.g. Simple, Elegant, Grey, Plain), and select the font. During our testing we have noticed that Ezee CV – Resume carries out a task quickly, and no errors showed up throughout the entire process. It doesn't eat up a lot of CPU and memory, so the overall performance of the computer is not affected. All things considered, Ezee CV – Resume offers a simple yet efficient software solution for helping you create CVs, and is suitable for all types of users, regardless of their experience level.
