## Photoshop 2022 (Version 23.0.1)

Max Weinberg: 'I'm All Over Tonight' On tonight's episode of WWE NXT, Max Weinberg made his in-ring debut, and he made an immediate impact. He ran down The Club from outside the ring and sent them each on their way. The next day, his demeanor changed from one of bravado to one of apprehension. "I'm in the ring. I felt good. I did what I wanted to do," he told Wrestling Inc. on our WINCLY podcast. "I want to learn, I want to be a better wrestler every day. I don't want to be defined by being a musician or a family man. I want to prove that I can do it. I'm going to prove that I can do it. I want to work with the best coaches. I want to learn something new every day, and right now, it's wrestling, but I want to do it all." The Evolution of Wrestling One of the reasons WWE NXT is so hyped is because of some of the talent that is on the show. One such example is Max. He came off as a much more "normal" guy in the ring than in his music videos, and he has the potential to make a name for himself on the wrestling scene. On the other hand, the Evolution of Wrestling stars of his NXT run will be known for more than just their music videos. It's wrestling. "This is wrestling. I can't go to concerts. I can't go to the

---

movies. It's a sport, it's entertainment," he explained. "That's the way I feel about it. I'm a musician. I'm not a wrestler. I'm in that universe but my job is to entertain, to do what I do. The [NXT] world was great, a great place to get out of that dream world. It was beautiful." That life of perfection took a turn when he was signed to the WWE and traveled down to Florida on Monday nights in the house. "I've never walked down 14th Street in any major city," he said. "I would never be able to go there. I would never be able to go to 'Frenchy's' or 'Snooter's' or 'Sugar Ray's.' I would never be able to do any of that. I would never even know what it was like to go there." He had signed

This year I won't be running the big Continental Divide Trail (CDT) thru-hike this summer but I will be going for a shorter thru-hike beginning in mid-June. My current plan is to hike to Denali and then back to Fairbanks by mid-July. Any recommendations on where to stay along the route (town or campsite) or specific areas of interest? An email message with a reset link will be sent to your email address. Thanks, Jeff Comment Your best bet for a definite hotel in the Denali area is to take the Inside Passage route. Once you pick up a newspaper at the cruise ship landing, you'll start to see a lot of ads for basic cruise ship offerings. Most of these cruise ships serve a route that terminates in Ketchikan, and that city is a good point to pick up accommodations. Another way to pick up accommodations in Ketchikan is to check to see if the cruise ship companies have a hotel/motel promotion to coincide with the arrival of the cruise ship. They will have a flyer with a particular cabin number that is usually discounted. Then, once you get to Ketchikan, the local hostess (AKA 'cruise ship agent') will

---

have a printed list of local accommodations. The list is usually on large pieces of paper that are displayed in the lobby. If there is no package available (usually this is a shorter time period than the cruise line promotions), the hostess will advise you to call the 'front desk' to make your reservation. Once you get to the Ketchikan area,
