They invited me and I was on my way, I'd even bought new summer clothing when I went to the supermarket last week. So when I got there there were only two people there and when I asked who they were the only person I knew really well left and said they were actually coming. They didn't even know me. Such a shock to be completely ignored and uninvited when there were only a couple of people there. Now I know why they said that they were out on the phone or something. It was also when I had my last bath the day before and although I put shower gel on everything, I didn't think anyone else would notice but some did and my best friend told her friend and she called my friend and I said I'd rather not talk about it. I think people are a bit mean but I don't blame the other person. I just got super excited on someones else's account and it got pretty bad. I'm glad I didn't give in and end up having to say something.Does leptin treatment protect against bone loss induced by ovariectomy in rodents? Ovariectomy leads to alterations in body weight, food intake and plasma leptin, while serum cholesterol levels are decreased. In this study, 17-week-old female Wistar rats were randomly divided into two groups: sham operation and
