KEYMACRO is an easy to use and simple way to play on MIDI keyboards that supports both the PC and MAC operating systems. With a single keystroke, you can insert a macro at the keyboard's moment of impact, automatically translated into the appropriate piano note, chord, or arpeggio, and everything will be played on the keyboard. You can also press a button, a pedal or a slider to trigger macros. KEYMACRO also supports the use of MIDI Clock in conjunction with the MIDI channel and allows you to customize the order and grouping of the macros in the keyboard. Keyboard Keys and Mappings: There are two levels of configuration. The Level 1 can be set on a per keyboard basis and allows you to assign the macro or macros to your favorite keys or chords. This is accomplished by the use of MIDI Channels and requires no external programs to be installed. The Level 2 configuration allows you to assign macros to button combinations. The macros you assign to the buttons can be assigned to one of the keyboard's MIDI channels. The Levels can be set on a global or keyboard by keyboard basis. An additional feature of this software is the Auto Chord Insertion, which automatically applies the function of the Insert Mode to the playback of a chord. Features: • Two key levels for fully customizable macro mappings • Automatically converts MIDI events to key presses on the keyboard • Support for Pianos, Guitars, Drums, and Virtual Instruments • Supports PC or MAC • Supports MIDI clock • Two-track playback with looping and reverse playback • Stereo output with volume control for each track • MIDI Channels • Reset button • Remove button • Button 1, 3, 5, 7, 9, 11, 13, 15, and 17 • Button 2, 4, 6, 8, 10, 12, 14, 16, and 18 • Button 19 • Button 20 • Button 21 • Button 22 • Button 23 • Button 24 • Button 25 • Button 26 • Button 27 • Button 28 • Button 29 • Button 30 • Button 31 • Button 32 • Button 33 • Button 34 • Button 35 • Button 36 • Button 37 • Button 38 • Button 39 • Button 40 • Button 41 • Button 42 • Button 43 • Button 44 • Button 45 • Button 46 • Button 47 • Button 1d6a3396d6
