Read above reviews and then start to write a review for your self. The Flight from the Enchanter (1893 film) The Flight from the Enchanter is a lost 1893 American drama film, directed by William C. Stanchich. It is based on the 1893 novel of the same name by Ouida. Production The film was directed by William C. Stanchich and produced by the Edison Manufacturing Company. The movie was shot on film using the Cinematograph Camera which was patented by William Kennedy Dickson. (Also used for Edison's early films in Thomas Edison's Kinetoscope.) Stanchich and Dickson, along with Louis D. Campeau, had raised capital by selling shares in the business in the years 1888–1891. Description The film is also known as The Enchanter or The Enchanted Forest. The film starred Elizabeth Mackey. The film was advertised as an "action romance" or "thrilling drama." The story was adapted by Thomas W. Higginson from Ouida's novel. the Edison company advertised the film as being on "white, highly artistic rollers" and the film only ran for a few months after its premiere. References External

Have a nice writing experience with this Mini Diary App. With this Mini Diary, it is possible to keep your daily journal in the palm of your hand. You can easily record your thoughts in the diary. You can also use this app for random thoughts and diary notes. Have this delightful Mini Diary application. Features of Mini Diary App: • It is a beautiful and highly interactive diary application. This is really a perfect application for those who love to create a beautiful journal or just for the sake of keeping a personal diary • Complete customization for your Mini Diary through many options, which are displayed on the home screen of the application • Easy to use interface for new users • Brand new user interface • Works on Android devices • Free Diary/Journal Diary app • Backup and restore diary database Things to know about Mini Diary application: 1) When using this diary, you can now choose your own font size and color to easily style your diary entries. 2) You can customize the home screen for your Mini Diary from the settings. This lets you view all your entries in chronological order. You can customize as much as you want. 3) You can back up all the entries in your Diary. 4) You can choose to have a random entry, or you can have a specific entry. 5) You can even create a password for your diary which gives you more security. This diary app has two databases, one for the journal and one for the notes. You can easily switch between them just by long pressing the title. There are many ways to add an entry to your diary. 1) Long pressing on an entry will popup a menu. Select the way you want to add the entry. 2) Choose the category. 3) Add a title and you can also decide on the font. 4) Each entry can contain a memo. Although I love to use a pen and paper, I have also bought numerous paper diaries. However, none were like the application of this new app. This new app gives you a pen to keep a diary like a paper diary and also a pen to write notes. There are several designs of pens and pencils available in the app. This app has a very clear interface and displays all that the user needs to know on the app screen. Advantages of this new app: 1. You can choose the available pens and pencils. 2. You can choose to change
